Upgraded technology to provide you with better care!

We are pleased to inform you that we have now introduced Pearl AI: A New Era of Diagnostic Precision. Pearl is an advanced AI platform designed to enhance diagnostic accuracy by automatically detecting a wide range of conditions in dental x-rays. With its cutting-edge algorithms, Pearl acts as a reliable second set of eyes, helping our dentists ensure radiologic precision and streamline the diagnostic process. This investment in AI technology reflects our ongoing commitment to providing you with the best possible care through innovation and excellence.

What's New?

Oh Baby!

We are thrilled to share some wonderful news from our dental family! Please join us in congratulating Dr. Roshni Sharma on the birth of her beautiful daughter! Both mum and baby are healthy and doing well. We wish Roshni and her family all the happiness as they embark on this exciting new chapter. We look forward to welcoming Roshni back after her maternity leave!

Welcoming our newest team member!

We are excited to welcome Dr. Ceindeg Arwel to our practice! Dr. Arwel will be joining us to cover Dr. Roshni's maternity leave and brings a wealth of experience and a passion for patient care. With her warm and compassionate approach, we know she will be a wonderful addition to our team and provide the highest level of care to all our patients. Please join us in welcoming Dr. Arwel, and feel free to say hello during your next visit!
